OFFICE PHONE: 574-935-8530 • FAX: 574-935-8612 • WWW.CO.MARSHALL.IN.US

October 28, 2020

NOTICE

You are hereby notified of a river bank reconstruction and sediment mitigation project located on your property which is within the right of way easement (extending seventy-five feet from the top of each bank) of the Yellow River in Marshall County Indiana. This project will also extend into Starke County. The project is undertaken through the formation (I.C. -14-13-9) of the Kankakee River Basin and Yellow River Basin Development Commission of which Marshall County is a member. Please be advised Cardno Environmental of Walkerton IN was awarded the project and Territorial Engineering of Walkerton IN will be at the site in the near future performing the reconnaissance work. The Marshall County Drainage Board and Marshall County Surveyor's office will assist Marshall County property owners with any concerns or questions they may have. It would be appreciated if Marshall County could have your contact information (day time telephone number or email address) in the event we would need to reach you. You may contact Mr. Craig Cultice, PS at 574-935-8530 or craigc@co.marshall.in.us

You may also visit the Kankakee River Basin and Yellow River Basin Development Commission web-site at: kankakeeandyellowrivers.org
